THE NEW JERSEY SKI & SNOWBOARD COUNCIL

Purpose: The Council was formed in November 1939 to promote amateur skiing, assist in the development of new clubs, sponsor and run inter-club competition, and generally to promote club activity in skiing. It is incorporated as a “corporation not-for-profit” in New Jersey.

Membership: The New Jersey Ski & Snowboard Council does not discriminate on the basis of race, color, national, or ethnic origin in club membership or any sponsored activity. Club membership is available to any active, organized ski club in the State of New Jersey and adjacent areas upon application and meeting certain requirements (By-Laws, membership list, and council meeting attendance). Contact any Council Officer for information.

Meetings: Each member club elects or appoints a representative to the Council, who has one vote at general meetings. Individual club members are also encouraged to attend Council meetings. Regular meetings of the Council are held the second Monday of each month, September through May, at the American Legion Hall, Clark, New Jersey, at 7:00 pm.

Directions: From Garden State Parkway (GSP) North, take exit 135, and bear right off exit to Brant Ave. From GSP South, take exit 135 and stay left (follow signs to Rahway). Continue around circle under the GSP and take first right to Brant Ave. Take Brant Ave to end and make a left at the light onto Westfield Ave. Continue on Westfield Ave. for 1/4 mile to the American Legion Hall on your left (large helicopter on site). Address: 78 Westfield Ave., Clark, NJ.

Due to special circumstances, meeting times and days may change. Always check your email or the New Jersey Ski & Snowboard Council Facebook page at <https://www.facebook.com/njskicouncil/> before traveling to meetings and for other information.

Welcome to the Winter Season of 2019-2020

Greetings skiers, boarders and other winter sports enthusiasts! This season marks an important milestone in the history of the NJ Ski & Snowboard Council's history – **We are celebrating our 80th Anniversary!** This means the Council and its clubs have been providing members with substantial lift ticket discounts, safety information, yearly trips to major ski resorts, and a chance to participate in an organized race program for 80 years!

Our Guidebook will acquaint you with the Council's many member ski clubs located throughout the New Jersey-New York metropolitan area. Whether you are a skier, a boarder or other sports enthusiast, our clubs will welcome you to join in the fun and camaraderie that ski club membership offers. You are sure to find a club in your area, whether you are a beginner or expert, single, married, or with a family. Many clubs own or rent lodges near the major Eastern ski areas, providing lodging at a fraction of the cost of staying at a commercial property or owning your own vacation home.

The Council has historically supported organizations that provide opportunities for athletes with disabilities, including Vermont Adaptive Ski & Sports, the Adaptive Sports Foundation at Windham, NY, and SKI4ALL. We are also supporting the efforts of the national Winter Activity Center, operating at the former Hidden Valley resort. These organizations are dedicated to providing disadvantaged youth and kids undergoing difficult times in their lives access to winter sports activities that combine exhilarating fun and positive health benefits. Many of our club members derive much satisfaction as volunteers.

I wish all a successful season and want to thank the mountain resorts, retailers and tour operators we partner with, and for the generous support that made this publication possible. The Council will strive to maintain the strong relationships that have developed over the past 80 years. I also invite any organized winter sports club to contact me or any member of the Executive Board if interested in joining the New Jersey Ski & Snowboard Council.

Most importantly, I want to recognize and thank the past and current volunteers who have served or currently serve on the Council's Executive Board and Committees, along with the dedicated volunteers presiding over our member clubs. We could not have reached 80 years without them!

Ski/ride safely and have fun!

Susan

SKIER'S RESPONSIBILITY CODE

There are elements of risk in skiing and snowboarding that common sense and personal awareness can help reduce.

1. Always stay in control, and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride, and unload safely.

**Officially endorsed by: National Ski Areas Association
THIS IS A PARTIAL LIST. BE SAFETY CONSCIOUS!**

NATIONAL SKI PATROL

Are you interested in joining the National Ski Patrol's New Jersey Region? We are an organization of highly motivated volunteers from all walks of life who provide Outdoor Emergency Care for the injured skier, snowboarder, and mountain biker. We are committed to the safety of these activities.

If you are at least 15 years old (Student Patroller), interested in helping others, and love to ski, snowboard or bike, think about joining the Ski Patrol.

We are involved in both Alpine and Nordic Patrols in the winter, as well as a Bike Patrol in the spring, summer, and fall.

We are committed to serving the public and facilitating enjoyable and safe participation in year-round, outdoor recreation.

We will teach you first aid and toboggan handling, and will sharpen your skiing and snowboarding skills. For more information, please refer to our website at www.nspnj.org.

2019 NJ Ski & Snowboard Council Expo Supports Adaptive Sports

The New Jersey Ski & Snowboard Council Expo, a Council tradition, is held during the fall of each year. The Expo is a combination trade show, trip planning event, membership drive, and ski season kick-off party. It is a great opportunity for winter sports enthusiasts to meet with representatives of local and national ski areas and to learn what is new in the ski industry. The Council's clubs are also at the Expo to introduce themselves and to tout the advantages of club membership.

A key element of our Expo tradition is supporting ski-related charities. Monies raised through raffles and auctions are customarily donated to adaptive sports programs. In 2019, the Council contributed to the Adaptive Sports Foundation at Windham, New York; Vermont's Adaptive Ski & Sports (VASS) and SKI4ALL, Franklin Lakes, NJ.

The adaptive programs are committed to furthering the equality and independence of individuals with disabilities by providing access to sports and recreational opportunities. SKI4ALL is dedicated to helping kids undergoing difficult times in their lives. They believe that sports and recreation provide a physical, mental, and social experience that is immeasurable in promoting self-confidence and independence in an individual.

VASS offers year-round programs and activities throughout Vermont. In addition to skiing, their programs offer opportunities to participate in sports that include cycling, sailing, canoe/kayak outings, horseback riding, and indoor climbing. Their administrative offices are located at Pico Mountain, Killington, Vermont.

Windham's Adaptive Sports Foundation also provides four-season instruction and recreational activities for individuals with special needs. The Adaptive Sports Foundation is the largest adaptive sports program on the East Coast and one of the leading programs in the country. Their programs have served thousands who are cognitively or physically impaired since 1984. Their center is located at Windham Mountain, New York.

If you would like to volunteer, make a donation, or learn more about these programs, contact them at:

All of the above racers/teams received plaques or medals for their efforts. In addition, to make the races more fun and interesting, other prizes were awarded lottery style to anyone participating in the specific race. In other words, a person who finished last in the race had just as much a chance of winning a prize as the person who finished first. Also, participants in the State Race received a T-shirt, and participants in the Stanley Sharaga Memorial President's Race received a racing photograph of themselves. This season (2019-2020) plans for the same races are in the process of being formulated. These tentative dates and venues are as follows:

STATE RACE: February 1, 2020, at Pico, Vermont. Contact: Joel Blank, joblank1@aol.com

CONSOLATION RACE: March 21, 2020, at Hunter Mt., New York. Contact: Stu Bassell, (845) 358-5176 or sbassell@verizon.net

PRESIDENT'S RACE: March 21, 2020, at Hunter Mt., New York. Contact: Karen Sanderson, (914) 319-1794 or skimoomoo@att.net

WEDNESDAY NIGHT RACE LEAGUE: January 8 to February 19, 2020, at Mountain Creek, New Jersey. (There are make-up dates and/or non-NJSSC races in this schedule). Contact: Stu Bassell, (845) 358-5176 or sbassell@verizon.net

This year it is hoped to have prizes awarded lottery style to all participants as we did last year. The program is open to all individuals who are a member in good standing of a club in the NJSSC. All categories of racers (beginner to expert) are welcome to come out and improve your skiing ability and have fun at the same time.

THE 2019 NJ SKI & SNOWBOARD COUNCIL STANLEY SHARAGA MEMORIAL PRESIDENT'S RACE

The 2019 NJSSC Stanley Sharaga Memorial President's Race was held on March 23, 2019 at Hunter Mt. Ski Bowl and was again a great success, with six clubs represented. The race had a total of 76 racers running the race. The race was held as a dual race on the new race trail, Lower Broadway. The Hunter Racing Foundation and Hunter Mt. grooming team once again provided a great course.

This year the scoring was done differently than in past years. NASTAR returned again to Hunter Mt. and therefore, the race results were based on age adjusted NASTAR points (rather than a straight handicap). In other words, a 20-something year old racer will receive less NASTAR Points than a 60-something year old racer with the same race time. The program is designed to level the playing field. Results for men and women were ranked from lowest to highest NASTAR Points and divided into three equal groups. Points were awarded within each group, starting at 30 on down. Team score was based on the top four men point scores and top three women point scores. In this way clubs with the not so good racers had an equal shot at winning the race and the more racers a club had the better chance to win.

Top team awards were: 1st – Trailsweepers, 2nd – Ramapo, and 3rd – High Life. It's important to note that High Life only had 7 racers, the minimum needed for a team score! The individual scoring was again divided into thirds, with awards for Class A, B, and C racers. The women's Class A winner was Kari Hoyt from Trailsweepers, with 2nd place going to Linda Burns from High Life and 3rd place won by Carlene Bassell from Ramapo. The men's Class A winner was Dale Ziegenfelder from Trailsweepers, followed by Igor Manoylovich from Ramapo, with third place going to David Wise from Trailsweepers. The Class B men's and women's winners were Jeff Viglielmo of Trailsweepers (who was injured) and Isabella Micheels of Ramapo, 2nd place going to Rich Herr from Trailside and Sandy Schwinzer from Trailsweepers, with 3rd place going to Bruce Kelly from Ramapo and Stephanie Kacin from Trailside. The Class C winners were Maureen Saunders from Ski Bums and Daniel Park of Garden State. Second place went to Karen Hodshom of High Life and Paul Nelson of Garden State with third place going to Diana Ziegenfelder from Trailsweepers and Marty Greenberg of Ramapo.

The junior racers were originally to be divided into two age groups. Unfortunately, there were only three juniors that raced. For the pre-teen boys, the winner was Nick Schneider of Ramapo with second place going to James Nemitoff of Ramapo. For the pre-teen girls, the winner was Rachel Harmon from High Life. It is hoped that more juniors will participate in next year's race.

Many thanks to all the people who helped organize and run this race. The purpose of the Stanley Sharaga Memorial President's Race is to bring members of the NJSSC together in a friendly and competitive environment. The race is open to skiers of all ages and abilities, including children. Trophies and prizes are awarded at the end of the day. In addition to individual and team awards, there is a lottery style drawing for prizes which is open to any racer who has completed at least two gates.

Next year's race will again be hosted by the NJSSC Race Committee and is scheduled for March 21, 2020 at Hunter Mountain.
