# THE NEW JERSEY SKI & SNOWBOARD COUNCIL

**Purpose:** The Council was formed in November 1939 to promote amateur skiing, assist in the development of new clubs, sponsor and run inter-club competition, and generally to promote club activity in skiing. It is incorporated as a “corporation not-for-profit” in New Jersey.

**Membership:** The New Jersey Ski & Snowboard Council does not discriminate on the basis of race, color, national, or ethnic origin in club membership or any sponsored activity. Club membership is available to any active, organized ski club in the State of New Jersey and adjacent areas upon application and meeting certain requirements (By-Laws, membership list, and council meeting attendance). Contact any Council Officer for information.

**Meetings:** Each member club elects or appoints a representative to the Council, who has one vote at general meetings. Individual club members are also encouraged to attend Council meetings. Regular meetings of the Council are held the second Monday of each month, October through May, at the American Legion Hall, Clark, New Jersey, at 7:00 pm.

**Directions:** From Garden State Parkway (GSP) North, take exit 135, and bear right off exit to Brant Ave. From GSP South, take exit 135 and stay left (follow signs to Rahway). Continue around circle under the GSP and take first right to Brant Ave. Take Brant Ave to end and make a left at the light onto Westfield Ave. Continue on Westfield Ave. for 1/4 mile to the American Legion Hall on your left (large helicopter on site). Address: 78 Westfield Ave., Clark, NJ.

Due to special circumstances, meeting times and days may change. Always check your email or the New Jersey Ski & Snowboard Council Facebook page at <https://www.facebook.com/njskicouncil/> before traveling to meetings and for other information.

# Welcome to the Winter Season of 2021-22

Greetings skiers, boarders, and other winter sports enthusiasts! Now that our unprecedented 2020-21 winter season is behind us, we look forward to skiing, riding, and enjoying other outdoor activities at our favorite resorts. In spite of the challenges presented by the COVID-19 pandemic last year, the ski industry responded quickly and responsibly, and remains committed to providing a safe environment for the upcoming season.

Our Guidebook will acquaint you with the Council's many member ski clubs located throughout the New Jersey-New York metropolitan area. Whether you are a skier, a boarder, or other sports enthusiast, our clubs will welcome you to join in the fun and camaraderie that ski club membership offers. You are sure to find a club in your area whether you are a beginner or expert, single, married, or with a family. Our clubs function autonomously, and many own or rent lodges near the major Eastern ski areas. As we have done for over 80 years, the Council and its clubs will continue supporting members with discounts, racing opportunities, safety information and group trips to major resorts.

The Council has historically supported organizations that provide opportunities for athletes with disabilities, including Vermont Adaptive Ski & Sports, the Adaptive Sports Foundation at Windham, NY, and SKI4ALL. We also support the efforts of the National Winter Activities Center, operating at the former Hidden Valley resort. These organizations are dedicated to providing disadvantaged youth and kids undergoing difficult times in their lives access to winter sports activities that combine exhilarating fun and positive health benefits. Many of our club members derive much satisfaction as volunteers.

I wish all a safe and enjoyable season and want to thank the mountain resorts, retailers, and tour operators we partner with for their generous support. The Council will strive to maintain the strong relationships that have developed over more than 80 years.

I invite any organized winter sports club to contact me or any member of the Executive Board if interested in joining the New Jersey Ski & Snowboard Council.

Most importantly, I want to recognize and thank the past and current volunteers who have served or currently serve on the Council's Executive Board and Committees, along with the dedicated volunteers presiding over our member clubs.

Ski/ride safely and join a ski/snowboard club.

# SKIER'S RESPONSIBILITY CODE

There are elements of risk in skiing and snowboarding that common sense and personal awareness can help reduce.

1. Always stay in control, and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride, and unload safely.

**Officially endorsed by: National Ski Areas Association  
THIS IS A PARTIAL LIST. BE SAFETY CONSCIOUS!**

## NATIONAL SKI PATROL

Are you interested in joining the National Ski Patrol's New Jersey Region? We are an organization of highly motivated volunteers from all walks of life who provide Outdoor Emergency Care for the injured skier, snowboarder, and mountain biker. We are committed to the safety of these activities.

If you are at least 15 years old (Student Patroller), interested in helping others, and love to ski, snowboard or bike, think about joining the Ski Patrol.

We are involved in both Alpine and Nordic Patrols in the winter, as well as a Bike Patrol in the spring, summer, and fall.

We are committed to serving the public and facilitating enjoyable and safe participation in year-round, outdoor recreation.

We will teach you first aid and toboggan handling, and will sharpen your skiing and snowboarding skills. For more information, please refer to our website at [www.nspnj.org](http://www.nspnj.org).

# NJ Ski & Snowboard Council

## Supports Adaptive Sports

The New Jersey Ski & Snowboard Council Expo, a Council tradition, is normally held during the fall of each year. Unfortunately, as we did in 2020, we again had to cancel it for this year due to the lingering effect of the pandemic.

The Expo is a combination trade show, trip planning event, membership drive, and ski season kick-off party. It is a great opportunity for winter sports enthusiasts to meet with representatives of local and national ski areas and to learn what is new in the ski industry. The Council's clubs are also at the Expo to introduce themselves and to tout the advantages of club membership.

A key element of our Expo tradition is supporting ski-related charities. While we have not had the Expo now for two years running and, therefore, no Silent Auction to raise funds for these worthwhile organizations, we continue to support them in more subtle ways, such as free advertising you will find throughout the Guidebook. In past years we have supported with monetary donations the Vermont Adaptive Ski & Sports (VASS), the Adaptive Sports Foundation at Windham, New York, and SKI4ALL. Many of our members also volunteered for programs offered by the Special Olympics, SKI4ALL, and the Winter 4 Kids program at the National Winter Activities Center.

VASS offers year-round programs and activities throughout Vermont. In addition to skiing, their programs offer opportunities to participate in sports that include cycling, sailing, canoe/kayak outings, horseback riding, and indoor climbing. Their administrative offices are located at Pico Mountain, Killington, Vermont.

Windham's Adaptive Sports Foundation also provides four-season instruction and recreational activities for individuals with special needs. The Adaptive Sports Foundation is the largest adaptive sports program on the East Coast and one of the leading programs in the country. Their programs have served thousands who are cognitively or physically impaired since 1984. Their center is located at Windham Mountain, New York.

If you would like to volunteer, make a donation, or learn more about these programs, contact them at:

## THE STATE RACE AT PICO SKI RESORT IS BACK

On Saturday, Feb. 26, 2022, racers and teams representing many clubs from the New Jersey Ski & Snowboard Council (NJSSC) will have a day of Giant Slalom and Slalom Racing at the Pico Ski Resort, Vermont.

The State Race is open to all individuals who are a member in good standing of a club in the NJSSC. All categories of racers (beginner thru expert) are welcome to come out and improve their skiing ability and have FUN at the same time.

Returning is the Junior State Race, also held at Pico, which in the past was a great success. In 2020, there were 17 Junior Racers who posted some fantastic times. All Junior racers received participant medals of the day. A lot of FUN was had by all participants.

At the conclusion, our Après Ski Party and awards ceremony ends the day. Awards are given out to the fastest individuals and teams and stories are shared.

**Please get the word out the State Race at Pico is February 26, 2022.**
