THE NEW JERSEY SKI & SNOWBOARD COUNCIL

Purpose: The Council was formed in November 1939 to promote amateur skiing, assist in the development of new clubs, sponsor and run inter-club competition, and generally to promote club activities in skiing. It is incorporated as a “corporation not-for-profit” in New Jersey.

Membership: The New Jersey Ski & Snowboard Council does not discriminate on the basis of race, color, national, or ethnic origin in club membership or any sponsored activity. Club membership is available to any active, organized ski, snowboard, or any other snowsports club in the State of New Jersey and adjacent areas upon application and meeting certain requirements (By-Laws, membership list, and council meeting attendance). Contact any Council Officer for information.

Meetings: Each member club elects or appoints a representative to the Council, who has one vote at general meetings. Individual club members are also encouraged to attend Council meetings. Regular meetings of the Council are held the second Monday of each month, October through May, via Zoom.

On occasion, the Council may call an in-person meeting at a location to be determined by the Executive Board of the Council. When this arises, the Council will disseminate the date, time, location, and directions to the selected venue in advance of said meeting.

The secretary of the Council will provide the Zoom link to the club presidents, representatives, and alternate representatives of each club in advance of each meeting.

Due to special circumstances, meeting times and days may change. Always check your email, the New Jersey Ski & Snowboard Council website (www.njssc.com), or Facebook page (www.facebook.com/njskicouncil/) for more information and last minute changes.

Welcome to the Winter Season of 2022-23

Greetings skiers, boarders, and other winter sports enthusiasts!

Our Guidebook will acquaint you with the Council's many member ski clubs located throughout the New Jersey-New York metropolitan area. Whether you are a skier, a boarder, or other sports enthusiast, our clubs will welcome you to join in the fun and camaraderie that ski club membership offers. You are sure to find a club in your area, whether you are a beginner or expert, single or married, or with a family. Our clubs function autonomously, and many own or rent lodges near the major Eastern ski areas. As we have done for over 80 years, the Council and its clubs will continue supporting members with discounts, racing opportunities, safety information, and group trips to major resorts.

The Council has historically supported organizations that provide opportunities for athletes with disabilities, including Vermont Adaptive Ski & Sports, the Adaptive Sports Foundation at Windham, NY, and SKI4ALL. We also support the efforts of the National Winter Activities Center, operating at the former Hidden Valley resort. These organizations are dedicated to providing disadvantaged youth and kids undergoing difficult times in their lives access to winter sports activities that combine exhilarating fun and positive health benefits. Many of our club members derive much satisfaction as volunteers.

I wish all a safe and enjoyable season and want to thank the mountain resorts, retailers, and tour operators we partner with for their generous support. The Council will strive to maintain the strong relationships that have developed over more than 80 years.

I invite any organized winter sports club to contact me or any member of the Executive Board if interested in joining the New Jersey Ski & Snowboard Council.

Most importantly, I want to recognize and thank the past and current volunteers who have served or currently serve on the Council's Executive Board and Committees, along with the dedicated volunteers presiding over our member clubs.

Ski/ride safely and join a ski/snowboard club.

Susan

SKIER'S RESPONSIBILITY CODE

There are elements of risk in skiing and snowboarding that common sense and personal awareness can help reduce.

1. Always stay in control. You must be able to stop or avoid other people or objects.
2. People ahead or downhill of you have the right-of-way. You must avoid them.
3. Stop only where you are visible from above and do not restrict traffic.
4. Look uphill and avoid others before starting downhill or entering a trail.
5. You must prevent runaway equipment.
6. Read and obey all signs, warnings, and hazard markings.
7. Keep off closed trails and out of closed areas.
8. You must know how and be able to load, ride and unload lifts safely. If you need assistance, ask the lift attendant.

**Officially endorsed by: National Ski Areas Association, www.nsa.org
THIS IS A PARTIAL LIST. BE SAFETY CONSCIOUS!**

NATIONAL SKI PATROL

Are you interested in joining the National Ski Patrol's New Jersey Region? We are an organization of highly motivated volunteers from all walks of life who provide Outdoor Emergency Care for the injured skier, snowboarder, and mountain biker. We are committed to the safety of these activities.

If you are at least 15 years old (Student Patroller), interested in helping others, and love to ski, snowboard or bike, think about joining the Ski Patrol.

We are involved in both Alpine and Nordic Patrols in the winter, as well as a Bike Patrol in the spring, summer, and fall.

We are committed to serving the public and facilitating enjoyable and safe participation in year-round, outdoor recreation.

We will teach you first aid and toboggan handling, and will sharpen your skiing and snowboarding skills. For more information, please refer to our website at www.nspnj.org.

NJ Ski & Snowboard Council Supports Adaptive Sports

The New Jersey Ski & Snowboard Council Expo, a Council tradition, is normally held during the fall of each year. Unfortunately, as we did in 2020, we again had to cancel it for this year due to the lingering effect of the pandemic.

The Expo is a combination trade show, trip planning event, membership drive, and ski season kick-off party. It is a great opportunity for winter sports enthusiasts to meet with representatives of local and national ski areas and to learn what is new in the ski industry. The Council's clubs are also at the Expo to introduce themselves and to tout the advantages of club membership.

A key element of our Expo tradition is supporting ski-related charities. While we have not had the Expo now for two years running and, therefore, no Silent Auction to raise funds for these worthwhile organizations, we continue to support them in more subtle ways, such as free advertising you will find throughout the Guidebook. In past years we have supported with monetary donations the Vermont Adaptive Ski & Sports (VASS), the Adaptive Sports Foundation at Windham, New York, and SKI4ALL. Many of our members also volunteered for programs offered by the Special Olympics, SKI4ALL, and the Winter 4 Kids program at the National Winter Activities Center.

VASS offers year-round programs and activities throughout Vermont. In addition to skiing, their programs offer opportunities to participate in sports that include cycling, sailing, canoe/kayak outings, horseback riding, and indoor climbing. Their administrative offices are located at Pico Mountain, Killington, Vermont.

Windham's Adaptive Sports Foundation also provides four-season instruction and recreational activities for individuals with special needs. The Adaptive Sports Foundation is the largest adaptive sports program on the East Coast and one of the leading programs in the country. Their programs have served thousands who are cognitively or physically impaired since 1984. Their center is located at Windham Mountain, New York.

If you would like to volunteer, make a donation, or learn more about these programs, contact them at:

NEW JERSEY SKI & SNOWBOARD COUNCIL RACING PROGRAM

This season (2022 - 2023) plans for the same races are in the process of being formulated. These tentative dates and venues are as follows:

STATE RACE: February 11, 2023, at Pico, Vermont. Contact: Joel Blank at racechair@newjerseyskicouncil.org

PRESIDENT'S RACE: March 18, 2023, at Hunter Mountain, NY. Contact: Karen Sanderson, (914) 319-1794 or skimoomoo@att.net.

The program is open to all individuals who are a member in good standing of a club in the NJSSC. All categories of racers (beginner to expert) are welcome to come out and improve your skiing ability and have fun at the same time.

THE NEW JERSEY STATE RACE SATURDAY, FEBRUARY 11, 2023 PICO SKI RESORT, VERMONT

The 2023 State Race will be held at the Pico Ski Resort in Vermont on Saturday, February 11, 2023.

The race is open to any male or female member of a ski club that belongs to the New Jersey Ski & Snowboard Council. The race is open to skiers of all ages and abilities. The Adult Race Program is for 19 years of age and older, and the Junior Race Program is for 18 years of age and younger.

The Adult Race Program consists of two races: a Giant Slalom and a Slalom. The Junior Program consists of two runs down an abbreviated adult giant slalom race course. All races are held on Panhandler Race Course, a nice intermediate blue course.

With seven ski clubs represented, the adult racers that participated in last season's race had a lot of fun. It was a great success again. The race had a total of sixty adult racers, but unfortunately the Juniors did not race. It is hoped that more juniors will participate in this year's race.

THE 2022 NJ SKI & SNOWBOARD COUNCIL STANLEY SHARAGA MEMORIAL PRESIDENT'S RACE

The 2022 NJSSC Stanley Sharaga Memorial President's Race was held on March 19, 2022, at Hunter Mt. Ski Bowl and was again a great success, with four clubs represented. The race had a total of 37 racers. This was the first SSMPR held since the COVID 19 pandemic. The race was held on the new race trail, Lower Broadway. The Hunter Racing Foundation and Hunter Mt. grooming team once again provided a great course. This year the scoring was done differently than in past years. NASTAR returned again to Hunter Mt. and therefore, the race results were based on age-adjusted NASTAR points (rather than a straight handicap). In other words a 20-something year old racer will receive less NASTAR Points than a 60-something year old racer with the same race time. The program is designed to level the playing field. Results for men and women were ranked from lowest to highest NASTAR Points and divided into three equal groups. Points were awarded within each group, starting at 30 on down. Team score was based on the top four men point scores and top three women point scores. In this way, clubs with the not so good racers had an equal shot at winning the race, and the more racers a club had the better chance to win.

Top team awards were: 1st - Trailsweepers, 2nd - Ramapo, and 3rd - Watchung. The individual scoring was again divided into thirds with awards for Class A, B, and C racers. The women's Class A winner was Karen Sanderson from Ramapo, with 2nd place going to Kari Hoyt from Trailsweepers, and 3rd place won by Carlene Bassell from Ramapo. Even though Kari had a faster run than Karen, Karen won because of the significant age difference. The men's Class A winner was Yuri Kobziar from Trailsweepers, followed by Jeff Viglielmo of Trailsweepers, with third place going to Dale Ziegenfelder from Trailsweepers. The Class B men's and women's winners were Bill Sidlovsky from Ramapo and Sandy Schwinzer from Trailsweepers, 2nd place going to Joe Runsdorf from Ski Bums and Elise Stoller from Ramapo, with 3rd place going to Jason Green from Ramapo and Katie Viglielmo from Trailsweepers. The Class C winners were Caroline and Marc Kornutik from Watchung. Second place went to Jackie Olivet of Trailsweepers and Greg Schneider of Ramapo with third place going to Denise Brecht of Watchung and Jeff Huth of Trailsweepers.

Many thanks to all the people who helped organize and run this race. The purpose of the Stanley Sharaga Memorial President's Race is to bring members of the NJSSC together in a friendly and competitive environment. The race is open to skiers of all ages and abilities, including children. Trophies and prizes are awarded at the end of the day. In addition to individual and team awards, there is a lottery style drawing for prizes which is open to any racer who has completed at least two gates.

Next year's race will again be hosted by the NJSSC Race Committee, and is scheduled for March 18, 2023, at Hunter Mountain.
