THE NEW JERSEY SKI & SNOWBOARD COUNCIL

Purpose: The Council was formed in November 1939 to promote amateur skiing, assist in the development of new clubs, sponsor and run inter-club competition, and generally to promote club activities in skiing. It is incorporated as a “corporation not-for-profit” in New Jersey.

Membership: The New Jersey Ski & Snowboard Council does not discriminate on the basis of race, color, national, or ethnic origin in club membership or any sponsored activity. Club membership is available to any active, organized ski, snowboard, or any other snowsports club in the State of New Jersey and adjacent areas upon application and meeting certain requirements (By-Laws, membership list, and council meeting attendance). Contact any Council Officer for information.

Meetings: Each member club elects or appoints a representative to the Council, who has one vote at general meetings. Individual club members are also encouraged to attend Council meetings. Regular meetings of the Council are held the second Monday of each month, October through May, via Zoom.

On occasion, the Council may call an in-person meeting at a location to be determined by the Executive Board of the Council. When this arises, the Council will disseminate the date, time, location, and directions to the selected venue in advance of said meeting.

The secretary of the Council will provide the Zoom link to the club presidents, representatives, and alternate representatives of each club in advance of each meeting.

Due to special circumstances, meeting times and days may change. Always check your email, the New Jersey Ski & Snowboard Council website (www.njssc.com), or Facebook page (www.facebook.com/njskicouncil/) for more information and last minute changes.

Welcome to the Winter Season of 2023-24

Greetings skiers, boarders, and other winter sports enthusiasts!

Our Guidebook will acquaint you with the Council's many member ski clubs located throughout the New Jersey-New York metropolitan area. Whether you are a skier, a boarder, or other sports enthusiast, our clubs will welcome you to join in the fun and camaraderie that ski club membership offers. You are sure to find a club in your area, whether you are a beginner or expert, single or married, or with a family. Our clubs function autonomously, and many own or rent lodges near the major Eastern ski areas. As we have done for over 80 years, the Council and its clubs will continue supporting members with discounts, racing opportunities, safety information, and group trips to major resorts.

The Council has historically supported organizations that provide opportunities for athletes with disabilities, including Vermont Adaptive Ski & Sports, the Adaptive Sports Foundation at Windham, NY, and SKI4ALL. We also support the efforts of the National Winter Activities Center, operating as Winter4Kids, at the former Hidden Valley resort. These organizations are dedicated to providing disadvantaged youth and kids undergoing difficult times in their lives access to winter sports activities that combine exhilarating fun and positive health benefits. Many of our club members derive much satisfaction as volunteers.

I wish all a safe and enjoyable season and want to thank the mountain resorts, retailers, and tour operators we partner with for their generous support. The Council will strive to maintain the strong relationships that have developed over more than 80 years.

I invite any organized winter sports club to contact me or any member of the Executive Board if interested in joining the New Jersey Ski & Snowboard Council.

Most importantly, I want to recognize and thank the past and current volunteers who have served or currently serve on the Council's Executive Board and Committees, along with the dedicated volunteers presiding over our member clubs.

Ski/ride safely and join a ski/snowboard club.

SKIER'S RESPONSIBILITY CODE

There are elements of risk in skiing and snowboarding that common sense and personal awareness can help reduce.

1. Always stay in control. You must be able to stop or avoid other people or objects.
2. People ahead or downhill of you have the right-of-way. You must avoid them.
3. Stop only where you are visible from above and do not restrict traffic.
4. Look uphill and avoid others before starting downhill or entering a trail.
5. You must prevent runaway equipment.
6. Read and obey all signs, warnings, and hazard markings.
7. Keep off closed trails and out of closed areas.
8. You must know how and be able to load, ride and unload lifts safely. If you need assistance, ask the lift attendant.
9. Do not use lifts or terrain when impaired by alcohol or drugs.
10. If you are involved in a collision or incident, share your contact information with each other and a ski area employee.

**Know and Obey the Code.
It's Your Responsibility.**

NATIONAL SKI PATROL

Are you interested in joining the National Ski Patrol's New Jersey Region? We are an organization of highly motivated volunteers from all walks of life who provide Outdoor Emergency Care for the injured skier, snowboarder, and mountain biker. We are committed to the safety of these activities.

If you are at least 15 years old (Student Patroller), interested in helping others, and love to ski, snowboard or bike, think about joining the Ski Patrol.

We are involved in both Alpine and Nordic Patrols in the winter, as well as a Bike Patrol in the spring, summer, and fall.

We are committed to serving the public and facilitating enjoyable and safe participation in year-round, outdoor recreation.

We will teach you first aid and toboggan handling, and will sharpen your skiing and snowboarding skills. For more information, please refer to our website at www.nspnj.org.

NEW JERSEY SKI & SNOWBOARD COUNCIL RACING PROGRAM

This season (2023-2024), plans for the same races are in the process of being formulated. These tentative dates and venues are as follows:

STATE RACE: February 10, 2024. Contact: Joel Blank at racechair@newjerseyskicouncil.org

PRESIDENT'S RACE: March 16, 2024, at Hunter Mountain, NY. Contact: Karen Sanderson, (914) 319-1794 or skimoomoo@att.net.

The program is open to all individuals who are a member in good standing of a club in the NJSSC. All categories of racers (beginner to expert) are welcome to come out and improve their skiing ability and have fun at the same time.

THE NEW JERSEY STATE RACE SATURDAY, FEBRUARY 11, 2023 PICO SKI RESORT, VERMONT

The 2023 State Race was held at the Pico Ski Resort in Vermont on Saturday, February 11, 2023.

The race was open to any male or female member of a ski club that belongs to the New Jersey Ski & Snowboard Council. The race was open to skiers of all ages and abilities. The Adult Race Program was for 19 years of age and older, and the Junior Race Program was for 18 years of age and younger.

The Adult Race Program consisted of two races: a Giant Slalom and a Slalom. The Junior race consisted of two runs down the Adult Giant Slalom Race Course. All races were held on the "Panhandler" Race Course, a nice, intermediate blue course.

With six ski clubs represented, the adults and juniors had a lot of fun, and the State Race was again a great success. The Race had a total of sixty adult racers and fifteen juniors.

We all are looking forward to next year's State Race.

THE 2023 NJ SKI & SNOWBOARD COUNCIL STANLEY SHARAGA MEMORIAL PRESIDENT'S RACE

The 2023 NJSSC Stanley Sharaga Memorial President's Race was held on March 18, 2023, at Hunter Mt. Ski Bowl and was again a great success, with seven clubs represented. The race had a total of 59 racers. The race was held on the new race trail, Lower Broadway. The Hunter Racing Foundation and Hunter Mt. grooming team once again provided a great course. This year the scoring was done differently than in past years. NASTAR returned again to Hunter Mt. and therefore, the race results were based on age-adjusted NASTAR points (rather than a straight handicap). In other words a 20-something year old racer will receive less NASTAR Points than a 60-something year old racer with the same race time. The program is designed to level the playing field. Results for men and women were ranked from lowest to highest NASTAR Points and divided into three equal groups. Points were awarded within each group, starting at 30 on down. Team score was based on the top four men point scores and top three women point scores. In this way, clubs with the not so good racers had an equal shot at winning the race, and the more racers a club had the better chance to win.

This proved to be true, as the first place team, Garden State, had the most racers. The second place team was Ramapo and third place went to High Life. The individual scoring was again divided into thirds with awards for Class A, B, and C racers. The women's Class A winner was Carlene Bassell from Ramapo, with 2nd place going to Kari Hoyt from Trailswepers and 3rd place won by Karen Sanderson from Ramapo. The men's Class A winner was Dale Ziegenfelder from Trailswepers, followed by Glenn Defrancisco of Ski Bums, with third place going to Stu Bassell from Ramapo. The Class B men's and women's winners were Tom Murante from Garden State and Kat Visich of Garden State, 2nd place going to Mitch Stachowicz from Garden State and Isabella Michaels from Ramapo, with 3rd place going to Bill Sabanski from Ski Bums and Nancy Frim from High Life. The Class C winners were Kathy Melody from Garden State and Skip Alford from Trailswepers. second place went to Maryann Mecca from High Life and Nick Linker from Watchung with third place going to Barbara Doxey from Ramapo and Patrick Weaver of Ski Bums.

Many thanks to all the people who helped organize and run this race. The purpose of the Stanley Sharaga Memorial President's Race is to bring members of the NJSSC together in a friendly and competitive environment. The race is open to skiers of all ages and abilities, including children. Trophies, medals and prizes are awarded at the end of the day. In addition to individual and team awards, there is a lottery style drawing for prizes which is open to any racer who has completed at least two gates.

Next year's race will again be hosted by the NJSSC Race Committee and is scheduled for March 16, 2024, at Hunter Mountain.
